ABOUT 2POINT.LTD

Founded in 2004, 2POINT. LTD was established with a vision to provide high-quality accessories and beauty products, supported by a team of experts boasting extensive industry experience.

With over 20 years of expertise embedded in each of our products, we are committed to maintaining the highest standards of quality at all times. At 2POINT, our aim is not to become the largest company, but rather to be recognized as a premier provider of exceptional products that consistently meet customer expectations.

This commitment remains our foremost priority. Our philosophy inspires everyone at 2POINT to concentrate on developing products that customers can trust for their quality and safety.

We take immense pride in manufacturing top-tier products while continually seeking innovative ideas to address the changing needs of our customers. Our dedication to excellence has established our reputation as a leader in the industry.

IT'S ALL A BOUT YOU

All the products, tools, and tips in the world are meaningless if you're not completely comfortable using them. That's why our customer service and relationships with our customers are the most important aspects of our business here at 2Point Co.

Company Profile

We are one of the leading accessories manufacturers in Korea and have been supplying nail and eyelash products for professionals and the retail market since 2004.

We strive to provide high-quality products and exceptional service and look forward to building strong partnerships with potential customers.
